Dear Duane:

Specialized Purchasing Consultants is pleased to present your FY23 Annual Report. We pride ourselves in being flexible and adjusting to the competitive environment. After going through two tough years involving backorders, we now feel confident that the industry has caught up with their inventory.

While Inflation has been a worldwide problem, SPC bids have fallen to their lowest level ever! We are buying new equipment for **8 to 12% of retail!** In addition, the number of participants in our bids has grown to eight different vendors representing eight different manufacturers.

Since 2020, we are averaging 75 million prints, acquiring approximately 1,200 machines annually. In addition, we have signed up **30 new clients, representing 100 million prints** – more than a 50% increase. The purpose of informing you of this information is to continue to build confidence in the strength of *your* cooperative buying power with SPC.

As always, we are grateful for your continued confidence in the services SPC provides and in our efforts to secure better pricing on equipment, service and supplies than can be obtained independently. We look forward to working with you another year and into the future.

Sincerely,

Skip Tilton
President
