Dear Debbie,

Based on 83,078 Students across the Tri-state Region that SPC manages

- Black is 1,788 per Student.
- Color is 243 per Student.

Color Industry averages are increasing by \_\_\_\_% while Black is dropping by \_\_\_\_% per year.

Based on 236 Students your averages are

- Black 1,562 per Student - increased compared with the previous year.
- Color 56 per Student - remained the same compared with the previous year.

The good news is, SPC has implemented both Papercut and STARDoc cost controls. (See \_\_\_\_\_.)

We can discuss this and any other concerns at our meeting.

Sincerely,

*Skip Tilton*
